Order Form

The South Carolina Association of Nonprofit Organizations is pleased to offer this revised, second edition of *Guiding Principles & Best Practices for South Carolina Nonprofits*. This publication was first issued in early 2007, when SCANPO celebrated its 10th anniversary of service as the premier resource for networking, education and information on behalf of the state's nonprofit sector. It is designed to encourage accountability among nonprofits and grantmakers that is guided by values of openness, inclusiveness, accessibility, ethical conduct, and sensitivity to the diverse communities that we all serve. Eighty-seven best practices are grouped around nine core principles: Mission and Planning; Governance; Human Resources; Financial Management and Stewardship; Accountability, Transparency and Legal Compliance; Fundraising and Information Management; Operational Planning and Evaluation; and Marketing and Communications.
